## A PEACEFUL OASIS IN THE HEART OF PRAGUE

---

FOOD LAB Restaurant is conveniently located in a quiet old square, off the beaten path and away from the main tourist drag, yet only a three minute walk from the Old Town Square.

FOOD LAB draws on the energy that infuses this historic center of European alchemy.

This is where, for hundreds of years, the most prominent scientists and hermetics tried to find the elixirs of eternal life or never-ending love!

The place so magical through time, visitors are still believed to be protected by it's lingering beneficial powers.

## OUR SPACE

Food Lab is located in a historic building in Old Town's Kozi Square. Our restaurant features two large, adjoining private dining rooms that can each accommodate 46 and 72 guests, or 118 total combined. Food Lab can host sit-down dinners with multiple seating configurations or reception-style events. The restaurant is also available for large events and full restaurant bookings and buyouts.

Total capacity with all rooms combined is 158 seated guests or up to 250 for a reception-style event.
